The Easton Country Club

Bereavements

Upon the passing of a loved one, we face many decisions. The ***Easton Country Club*** is appreciative that you have chosen to review our services during this difficult time. Traditionally, following the service, family and friends gather to express their condolences and celebrate the life of their loved one. For years, this reception included meals, customarily brought in covered dishes by those paying their respects. Unfortunately, as times have changed, this tradition doesn't always apply in today's hectic world. While people still gather, it may fall on the shoulders of a family member to host and prepare meals for those attending the reception, as well as out of town family members who may be staying with you. The ***Easton Country Club*** has partnered with Funeral Homes throughout Southeastern Massachusetts as an extension of their services to provide catering for bereavement receptions.

The ***Easton Country Club*** has created unique meals for your bereavement receptions. We have a caring and compassionate staff that will help you choose a menu based on your budget, any dietary needs and number of people in attendance. Whether it's a light fare, dessert or snack trays, or a complete meal, ***Easton Country Club*** offers only the freshest quality products that are beautifully presented for you and your guests. We have included a sampling of the many menus that are available to suit your specific needs.

If you have any questions, you may contact Leigh Howlett at 508-238-2500 x102. She is available to discuss any questions you may have and assist you with your bereavement reception needs in a caring and compassionate fashion.
