To Avoid Misunderstandings...

Experience is, indeed, a wonderful teacher and over the years, through experience, trial and error,

Easton Country Club | eastoncountryclub.com

265 Purchase Street, PO Box 257 | South Easton, Massachusetts | 508.238.2500

we've encountered just about every situation you can imagine. Calling upon our experience, we've established the following guidelines that, when understood from the outset, enable the planning and execution of your function to go smoothly.

Service...

Your final guest count is due seven days prior to your event. From that point you may increase your count, but not decrease. We can accept increases up to 48 hours prior to your event.

As a safety net, we'll have 5 extra meals on hand. You will be charged only for the extra meals used.

The state sanitary code prohibits us from providing "doggie bags" or leftovers for your guests. There is the concern about food-borne bacteria.

Everyone at Easton Country Club looks forward to extending to you and your guests our unsurpassed cuisine and service.
